Waitressing Details:

Each summer, Black Rock recruits teenage girls interested in volunteering for one week of their summer to serve the campers and staff in Oakwood Dining Hall. During this one-week, resident experience, waitresses lodge in a motel-style room and volunteer in the kitchen under the supervision of our Dining Room Hostess. The Dining Room Hostess is one of our summer staff members whose primary responsibility is to lead the volunteer waitresses through their week. Together they assist in the operation of the dining hall, including setting tables, preparing beverages, waitressing tables and cleaning up after meals. In addition, a morning and afternoon break allows for some free time and interaction with the other staff and campers. Daily devotions led by the Dining Room Hostess, along with each night's Vespers service provide opportunities for spiritual growth. It is a wonderful experience of service and fun that helps contribute to our overall summer camp ministry. Apply today!

About Black Rock:

Black Rock Retreat is a non-profit, year round Christian camp and retreat center, owned and operated by an association of Christians. We are located on nearly 100 acres of beautiful woodland in southern Lancaster County, PA. Our summer camp program offers creative alternatives to the negative influences in today's society. We strive to integrate a Christ-centered world view into our entire program. Camp is an ideal setting for our well-trained and qualified counselors and staff to be positive role models of the Christian life as they relate closely to each camper. Each staff member is dedicated to realizing our motto, which is 'To Know Christ and Make Him Known!'
